

AID FOR VETERANS

Join Russell Fox through Zoom as he speaks about how you can receive The Veterans Aid and Attendance Pension, a federal assistance program from the U.S. Department of Veterans Affairs that can pay up to **\$25,524 annually**. This form of aid provides monthly payments to veterans, their spouses, or their surviving spouses who need assistance while living on their own.

Filing through the VA is free, but doing so can be a complex process. Regardless, Russell is an expert who will support you through every step of the application process at no cost as well. He will make sure you have the best chance of approval!
